LEADERSHIP  PITTSBURGH INC.

We Open Eyes, Minds & Doors

Founded as an expression of faith in Pittsburgh and its promise, Leadership Pittsburgh Inc. (LPInc.) is now recognized as the premier resource for community leadership in Southwestern Pennsylvania. LPInc. has an alumni network of more than 2,000 influential leaders working to maximize the potential of our community.

Modeled after existing programs around the country, the Leadership Pittsburgh (LP) program was created in 1983 to enhance the quality of regional leadership through programming focused on awareness of community issues. Leadership Development Initiative (LDI) was added as a companion program in 1994, and in the fall of 1998, Leadership OnBoard was developed to facilitate board placements of LDI alumni.

In January 2005, Leadership Pittsburgh Inc. and the Allegheny Conference on Community Development entered into a programming partnership that has evolved in recent years to enable some new offerings including Executive Welcome. In 2010, LPInc. formally began placing its alumni on regional non-profit boards and nominating them to serve on state boards and commissions.

As an independent, non-profit organization, we are committed to helping Pittsburgh embrace creativity in its thinking and build bridges of understanding across segments.

OUR MISSION:

STRENGTHENING REGIONAL LEADERSHIP THROUGH PROGRAMS, PARTNERSHIPS AND CONNECTIONS
