

LEADERSHIP  PITTSBURGH INC.

We Open Eyes, Minds & Doors

Founded as an expression of faith in Pittsburgh and its promise, Leadership Pittsburgh Inc. (LPInc.) is now recognized as the premier resource for community leadership in Southwestern Pennsylvania. LPInc. has an alumni network of more than 2,000 influential leaders working to maximize the potential of our community.

Modeled after existing programs around the country, the Leadership Pittsburgh (LP) program was created in 1983 to enhance the quality of regional leadership through programming focused on awareness of community issues. Leadership Development Initiative (LDI) was added as a companion program in 1994, and in the fall of 1998, Leadership OnBoard was developed to facilitate board placements of LDI alumni.

In January 2005, Leadership Pittsburgh Inc. and the Allegheny Conference on Community Development entered into a programming partnership that has evolved in recent years to enable some new offerings including Executive Welcome. In 2010, LPInc. formally began placing its alumni on regional non-profit boards and nominating them to serve on state boards and commissions.

As an independent, non-profit organization, we are committed to helping Pittsburgh embrace creativity in its thinking and build bridges of understanding across segments.

- Please refer to the program schedule for the specific time frame of each session. The calendar for the year is available at least six months prior to the application deadline.
- Sessions focus on leadership skills within the context of community.
- Each session location is different.
- Credits are assigned to each session and graduation is dependent upon completion of a required number of credits.

Community Impact Projects

Working with regional non-profit and civic organizations, LDI participants form teams to implement project(s). In addition to engaging the community, the project(s) serves as a learning lab where participants can practice the skills critical to success as emerging leaders. The project(s) is/are typically outlined early in the program year and completed by graduation.

Leadership Development Initiative Facts

- Tuition is currently \$3,700 and is non-refundable. (Please note that this is subject to change in the future). Early applications are encouraged. Incentive tuition price for applications submitted by first Friday in May is \$3,400. All parts of the application must be complete to be considered. Payment is expected only after selection.
- LPInc. is a non-profit organization: Alumni and institutional donations enable us to offer partial scholarships based on need. These are intended, primarily, for participants from the non-profit sector, especially small non-profit organizations. To apply for tuition assistance, please request a tuition assistance form from LPInc. (info@lpinc.org) and return it to the LPInc. office with your application. Tuition-assistance requests do not impact the selection process.
- Payment plans are available upon request.
- In order to allow for busy professional schedules, a higher number of "credits" are offered than required for graduation (e.g. 39 credits offered; 34 are required for graduation). Ideally, participants should attend all of the regularly scheduled sessions in their entirety.
- The Leadership Development Initiative Selection Committee considers letters of recommendation in the application process. We strongly encourage each applicant to submit at least two letters of recommendation. Successful applications in prior years tend to be accompanied by a letter of recommendation from the applicant's CEO/head of business unit in addition to recommendations from LPInc. alumni. A copy of our directory can be ordered by emailing info@lpinc.org or by calling 412.392.4505.
